LinkedIn Rules Require Photos To Be Of Onself --- Professionals must remain professional. High impact they won't ! I can not address a central theme in my condition of life upon my medical care -- Delay after delay --- time keeps ticking away -- not one doctor shining bright , impartial to pasts, disinterestedness of a bias - not so far To hold inaction of a relationship --- so profound. We know have a late 11th hour and 59 sec entry to Cindy a Case Manager for my Medical Group --- [Prospect Medical Systems](#) here --- She says it will be a week to reset ,may primary to then again an HIV Specialist -- I should not be dying from HIV --- and I am dying for sure ! DYING DEAD! - I can't go to the ER -- they are not qualified for what is now truly an HIV CASE for the MEDICAL Journal. Progressing -- LinkedIn has been in the wrong corner of the fight ring -- kicked me off --- I am now DYING! If and or when the DOCTORS come to understand all of the DIGITAL REALM DAMAGES across ALL social media and civil society -- A WRONGFU DEATH suite might just knock some heads silly! This photo is taken JAN 27th -- and I am not trying to be GROSS -- but to PUT INTO THE FULL PUBLIC NON-BULL SHITTING SPACE --- I DIE AT the HANDS OF UNITED STATES CODE TITLE 18, SECTION 242 -- Deprivation of Rights Under Color of Law -- Why protect these people of wrongdoing -- LinkedIn? I have to act like SPYCRAFT instead -- I have tried to RETURN MY ACCONT DENIED DENIED DENIED which was suspended 3 times -- for no good fucking reason! Keep this photo online - I have no followers -- and I can reference this Fully UNTI I GET DOCTOR CARE ok? PROPERY OK? Otherwise I DIE! Breaking RULES that are BEGGING MERCY MERCY MERCY ME -- STOP THE FUCKED UP HUMAN HATE ALREADY!

Don't you dare call into question my language when this is a fact of life!

[Fuck Cancer](#) [ tag ] [Fuck Yeah Astrophysics!](#) [ Tag ] [Fuck Rasism](#) [ Tag ] -- you get my point LinkedIn ? You know exactly who I am --- I am not the troublemaker -- never was! And you all know it -- blow the lies out into space directed to burn on the sun! GEY OUT OF THE BUSINESS OF DECEPTION AND LIES! -- I will have an second posting of TODAY's CONDITON- -- WASTE NOT WANT NOT - - this is REAL CONTENT !

No I am not contacting member services until we get something extremely clear -- and in focus immediately -- I am not the one off my rocker --- something sinister is involved in my care That is one of the reasons why i did not want to put my face on these issues --- and then again, LinkedIn suspended my account for not following rules that I was

Cindy A case manager representing that she was from your organization gave me the number of 714-795-5963.

She called several times. each time with a bit of a different attitude but really. I am the patient and not going to accept the situation that has been unfolding, esp. on **Inland Psychiatric Medical Group**. They just intentional crazy deceive and mind games. When these kinds of similar out of integrity were happening in Denver, every aspect of my need to communicate to these concerns BLOCKED unilaterally and no remedy, This game is played so effectively, it reeks that there are people who have this same kind of shit thrown at them. Calling that number that for Cindy Case Manager City, the voice mail not your organization. Every one of these weird ass fucked up records of commons - not one of you can maintain your professionalism and be what I would say ,proper business being smooth and enjoyable to talk to! Cindy first applied her attempt to drop what is behind and move up forward. This is a Reality Audit - and this is going to be fixed whatever it happening here -- I do not deserve to have this mess.

Cindy was suppose to reset primary and then go --- and another referral doctor care - in HIV -- I HAVE BEEN **#HIVUNTREATABLE** since March of 2019 -- literally, I am going to die before you all get your shit together.

This is what happened with my HIV Provider in March of 2019:

These are REAL LINKS and you all are not able to pick and choose who you give care to - apparently something a bit off on the way you have done it prior -- time to change -- now now now now -- now please == stop the bullshit.. I NEED A NEW COMMITMENT OF CONCERN STANDARDS IN WRITING FOR EVERY SINGE INTERFACE -- NO EXCEPTION! -- SERIOUS -- SERIOUSLY FUCKED UP!
